3rd July – Field Visit D.Pharm (Water Treatment Plant)

11th July – SWAYAM-NPTEL Awareness Workshop

14th July – Expert Talk Ultra-Diluted Medicines

16th July – Expert Talk Ethnomedicinal Plants

18th July – Expert Talk Psychological Wellness

25th July – Belur Math Visit (NSS)

28th July – Consumer Rights Awareness Workshop

29–31 July – 3-Day Workshop Herbal Cosmeceuticals

FIELD VISIT FOR THE D.PHARM 1ST YEAR STUDENTS TO THE ULUBERIA WATER TREATMENT PLANT

On 3rd July 2025, a successful field visit was organized for the D.Pharm 1st Year students of Bharat Technology to the Uluberia Water Treatment Plant. A total of 35 students, accompanied by faculty members Mr. Kabirul Islam Mollah and Mr. Raneet Das, explored the practical aspects of water purification — from sedimentation and filtration to chlorination and distribution.

This hands-on experience offered valuable insights into public health and environmental safety, effectively bridging classroom learning with real-world application.

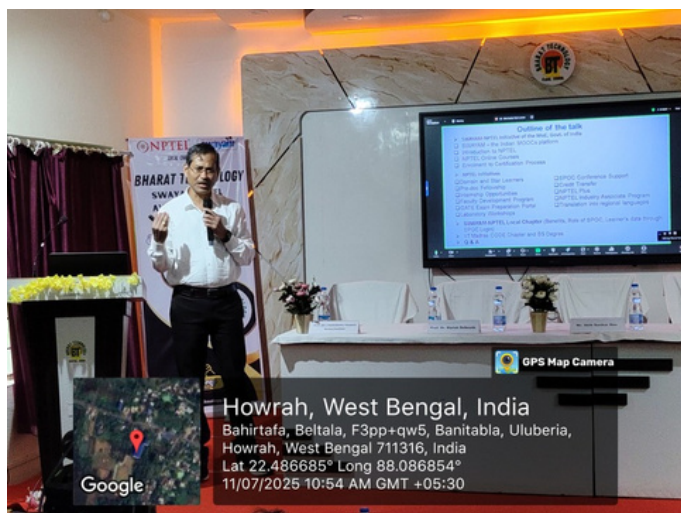

SWAYAM-NPTEL AWARENESS WORKSHOP

Bharat Technology - A School Of Pharmacy (Local Chapter ID: 7102) proudly hosted the SWAYAM-NPTEL Awareness Workshop on 11th July 2025, featuring an enlightening session by **Mr. Shib Sankar Das, Senior Manager, NPTEL & BS Program Office, IIT Madras**. Dr. Biplab Debnath, Principal of Bharat Technology, highlighted the significance of the workshop, emphasizing its potential to enhance knowledge and skills.

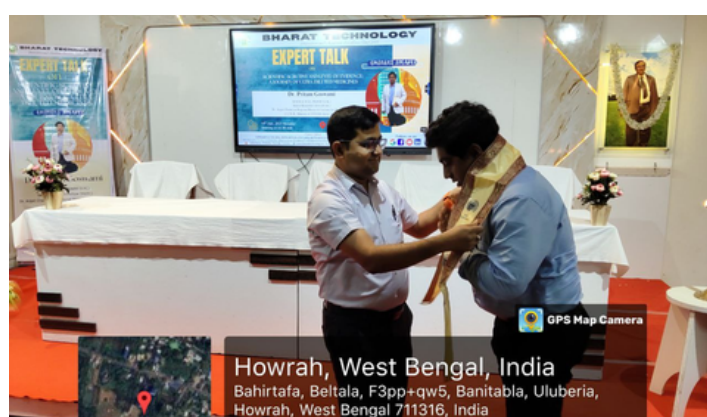

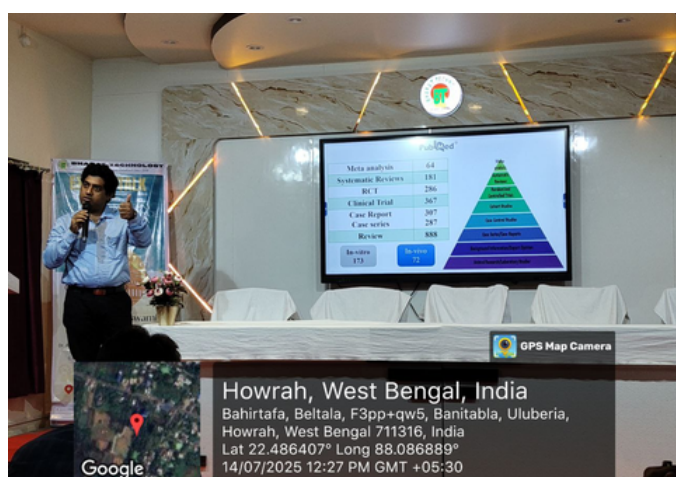

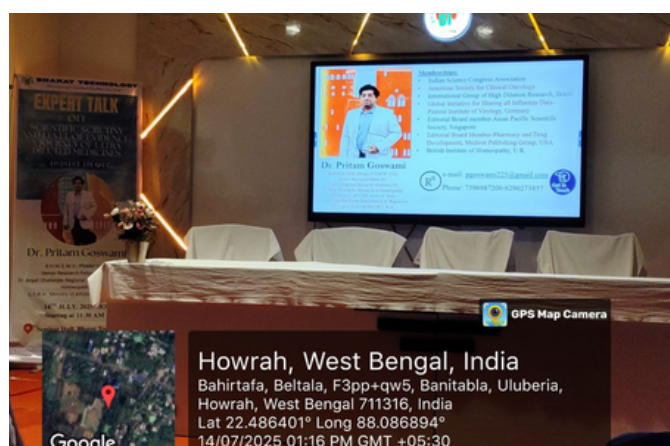

We were honoured by the gracious presence of our esteemed Guests: Dr. Venkatesha Perumal Ramachandran (Principal, CIPT), Dr. M.E. Bhanoji Rao (Director – Research, CIPT), and Dr. Partha Pratim Bhattacharya (Principal, CIT).

The event witnessed enthusiastic participation from faculty members from across India, empowering them with knowledge about SWAYAM-NPTEL's online learning ecosystem, certification opportunities, and career benefits.

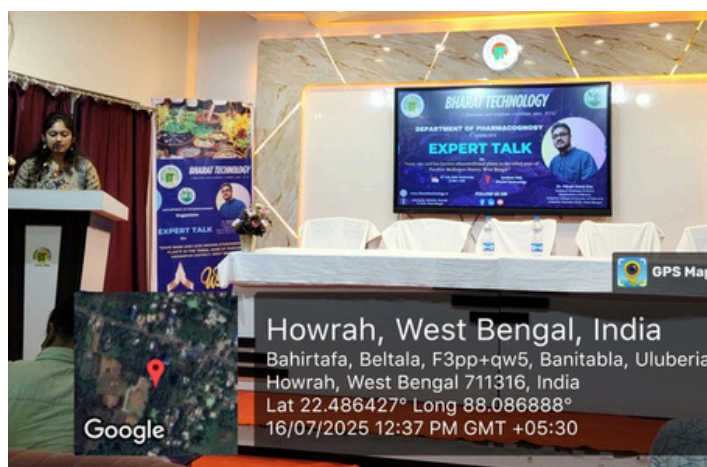

EXPERT TALK ON *Scientific Scrutiny and Level of Evidence: A Journey of Ultra-Diluted Medicines*

Dr. Pritam Goswami, Senior Research Fellow (Hom.), CCRH, Ministry of AYUSH, Govt. of India, delivered an illuminating session on "*Scientific Scrutiny and Level of Evidence: A Journey of Ultra-Diluted Medicines*." on 14th July 2025. His insights into the scientific foundation and evolving perspectives on ultra-diluted formulations offered our students and faculty a deeper understanding of integrative medicine and evidence-based research. It was a great way of nurturing academic curiosity and bridging the gap between traditional knowledge and modern pharmaceutical science.

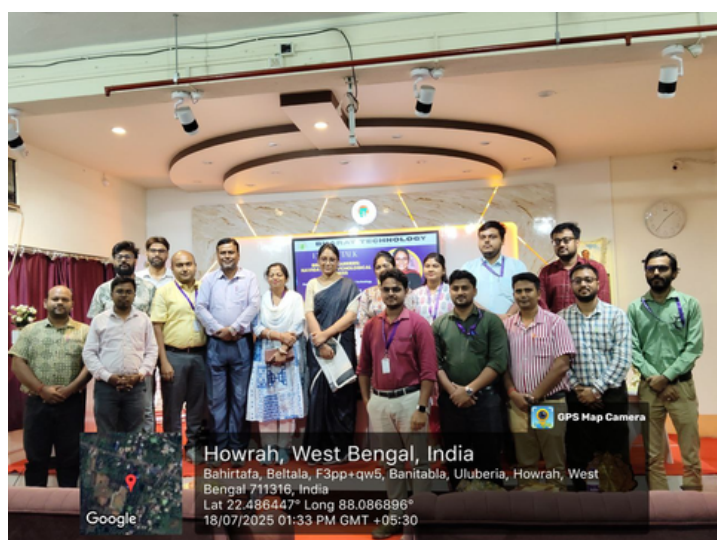

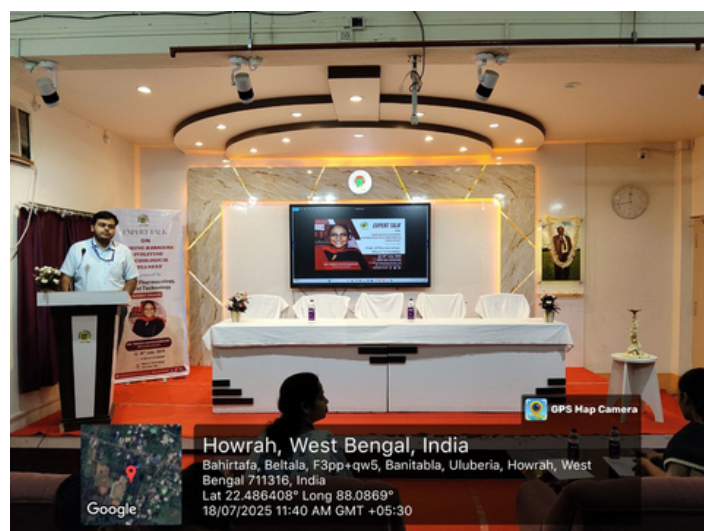

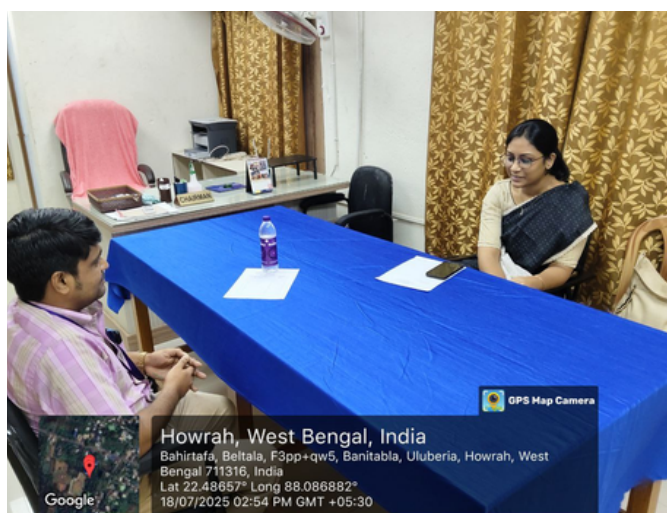

EXPERT TALK ON “SOME RARE AND LESS KNOWN ETHNOMEDICINAL PLANTS IN THE TRIBAL ZONE OF PASCHIM MEDINIPUR DISTRICT, WEST BENGAL”

The Department of Pharmacognosy, Bharat Technology – A School of Pharmacy, organized an Expert Talk on 16th July 2025 at the Seminar Hall of the institution. The topic of the session was “Some Rare and Less Known Ethnomedicinal Plants in the Tribal Zone of Paschim Medinipur District, West Bengal.” The resource person for the programme was Dr. Pijush Kanti Das, Assistant Professor and Head, Department of Botany, Uluberia College, University of Calcutta. During the session, Dr. Das shared valuable knowledge on rare and lesser-known medicinal plants traditionally used by tribal communities of Paschim Medinipur. He highlighted their ethnomedicinal significance, therapeutic applications, and the importance of conserving indigenous knowledge and biodiversity. Faculty members and students actively participated in the interactive session, gaining insights into traditional healthcare practices and the potential of medicinal plants in drug discovery and development.

AN EXPERT TALK ON “BREAKING BARRIERS: NAVIGATING PSYCHOLOGICAL WELLNESS”

The Department of Pharmacology, Bharat Technology successfully organized an Expert Talk on “Breaking Barriers: Navigating Psychological Wellness” on 18th July. The session was delivered by renowned psychologist Ms. Tanaya Roy Chowdhury, who shared valuable insights on mental health, emotional resilience, and psychological well-being. The interactive session provided practical guidance for managing stress and fostering a positive mindset. It was an enriching and inspiring experience for both faculty members and students, promoting awareness of the importance of psychological wellness in academic and personal life.

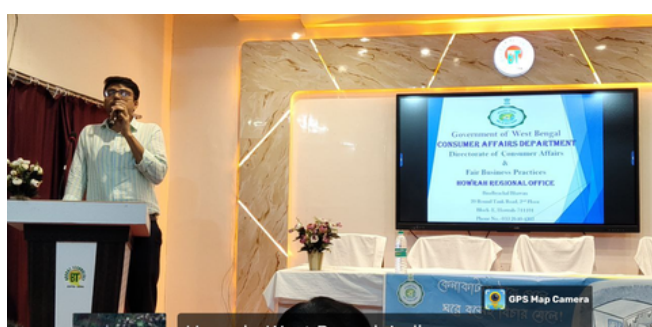

RAMAKRISHNA MATH & RAMAKRISHNA MISSION, BELUR MATH VISIT

NSS volunteers visited Ramakrishna Math and Ramakrishna Mission, Belur Math on 25th July 2025 for a value-based educational experience. Participants learned about the teachings of Swami Vivekananda and the principles of service, discipline, and spirituality. The visit inspired students to develop ethical values and contribute positively to society.

AWARENESS WORKSHOP ON CONSUMER RIGHTS AND PUBLIC SERVICES

on 28 July 2025 the NSS Unit organized an Awareness Workshop on Consumer Rights and Public Services in collaboration with the Consumer Affairs Department. Experts discussed consumer protection laws, grievance redressal mechanisms, and public service facilities. The programme empowered students with knowledge about consumer rights and responsible citizenship.

3-DAY WORKSHOP ON "*Herbal Cosmeceuticals and Nutraceuticals: From Formulation to Functional Innovation*"

An impactful 3-day workshop from 29th- 31st July on "*Herbal Cosmeceuticals and Nutraceuticals: From Formulation to Functional Innovation*", organised by the **Department of Pharmacognosy**, Bharat Technology. The workshop began with an inspiring session by our eminent speaker, **Dr. Subhalakshmi Ghosh**, who shared valuable insights on entrepreneurship in the herbal and pharmaceutical sector. Participants then underwent hands-on training on advanced instruments, including a UV-Visible Spectrophotometer, FTIR, Brookfield Viscometer, Lyophilizer, and others, for the evaluation of herbal formulations. An interactive quiz session added fun and learning to the day, and finally, all participants were awarded certificates for their enthusiastic involvement.

14th Aug - Expert Talk Ayurvedic Pharmacovigilance

15th Aug - 79th Independence Day Celebration

19-22 Aug - Hands-on Training Formulation/QA-QC

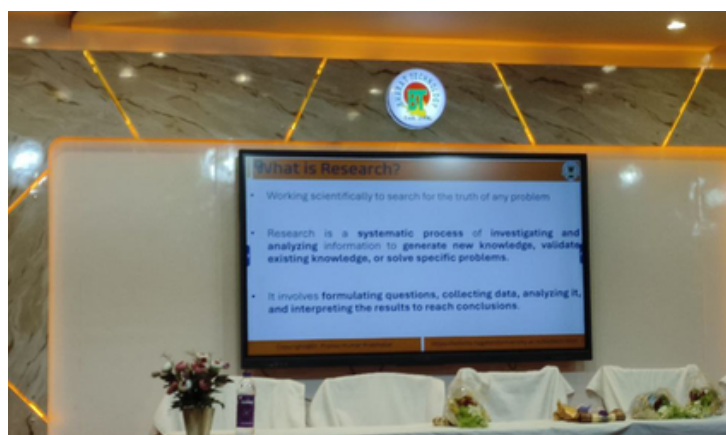

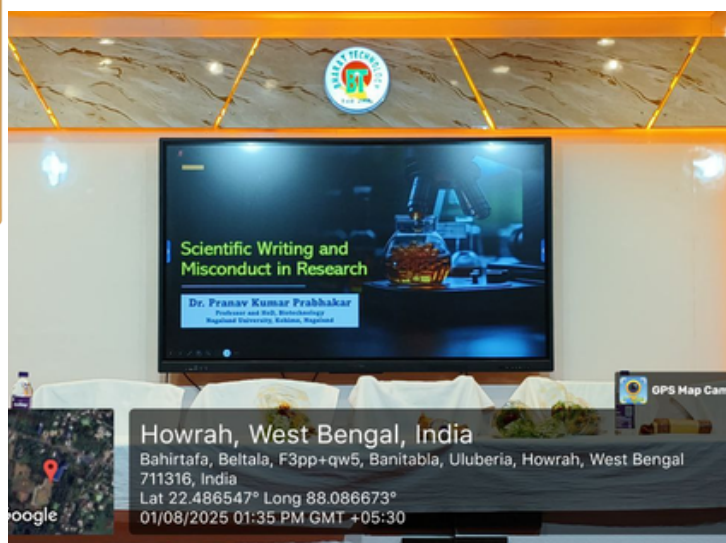

INAUGURATION OF UNIVERSITY-LEVEL CERTIFICATE COURSE ON BLOOD DONOR MOTIVATION

On 1st August 2025 the NSS Unit inaugurated a University-Level Certificate Course on Blood Donor Motivation till 9th August to promote voluntary blood donation awareness. The programme introduced students to the importance of blood donation, donor counseling, and community service. The initiative aimed to develop socially responsible volunteers committed to public health and humanitarian causes.

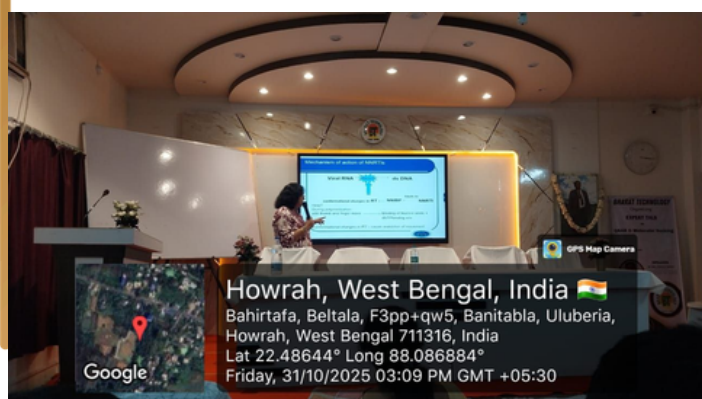

EXPERT TALK ON SCIENTIFIC WRITING AND RESEARCH ETHICS

Bharat Technology organized an Expert Talk on “Scientific Writing and Misconduct with Tools & Ethics” on 1st August 2025 in virtual mode. The session was delivered by Prof. Dr. Pranav Kumar Prabhakar, Professor and Head, Department of Biotechnology, School of Engineering and Technology, Nagaland University. The talk focused on Conducting effective literature searches, Identifying research gaps, Framing hypotheses, Writing research objectives, Selecting appropriate research titles Research ethics and publication misconduct. The session provided valuable insights to students, researchers, and faculty members regarding responsible research practices and scientific communication. Participants actively interacted with the speaker during the discussion session.

ONLINE CERTIFICATE COURSE ON IN SILICO DRUG DESIGN

The Department of Pharmaceutical Chemistry, Bharat Technology, launched a One-Month Online Certificate Course on In Silico Drug Design from 2nd August to 31st August 2025. The course was designed to provide participants with theoretical and practical knowledge of modern drug discovery techniques. Key features included, Fundamentals of drug design, Practical demonstrations using drug-designing tools, Weekly assignments, Doubt-clearing sessions, Study material support. The program aimed to bridge the gap between academic learning and computational pharmaceutical research. The initiative received an encouraging response from students and research scholars interested in computer-aided drug design.

RAKSHA BANDHAN UTSAB

On 9 August 2025 the NSS Unit celebrated Raksha Bandhan Utsab to promote unity, harmony, and social bonding. Volunteers tied rakhis to faculty members, students, and guests while spreading messages of mutual respect and responsibility. Tree plantation activities were also conducted, emphasizing environmental protection alongside cultural values and community engagement.

EXPERT TALK ON PHARMACOVIGILANCE OF AYURVEDIC MEDICINE

The Department of Pharmacology, Bharat Technology, organized an expert lecture on "Pharmacovigilance of Ayurvedic Medicine" on 14th August 2025 at the college seminar hall. The session was delivered by Prof. Pallab Kanti Haldar, Director, School of Natural Product Studies and Professor, Division of Pharmacology & Toxicology, Department of Pharmaceutical Technology, Jadavpur University. The speaker elaborated on the importance of monitoring adverse drug reactions associated with Ayurvedic medicines, regulatory frameworks, reporting systems, and safety evaluation procedures. The lecture was highly informative and provided students with valuable knowledge regarding traditional medicine safety and pharmacovigilance practices.

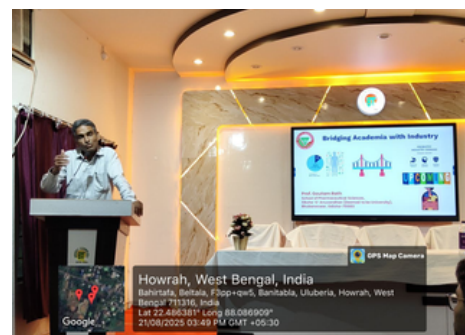

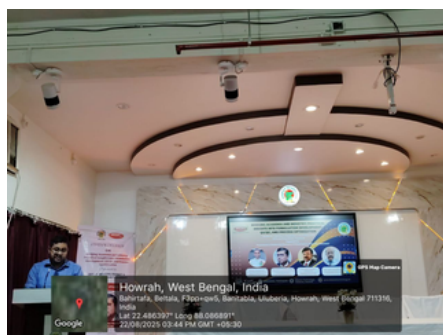

79TH INDEPENDENCE DAY CELEBRATION

Bharat Technology, under the esteemed Bharat Consortium Institutes, proudly marked the 79th Independence Day with immense enthusiasm and patriotic fervour at the URCHARD Ground. The celebration began with the flag hoisting ceremony, followed by a spirited march past led by our students. The day was filled with vibrant cultural performances—dance, recitation, yoga with song, and patriotic presentations—beautifully showcasing the talent, dedication, and unity of our Institution. Adding to the grandeur, enthusiastic students from CIT, BAS, and CIPT also participated, making the event a true celebration of collaboration and togetherness across the consortium. Our faculty, students, and dignitaries wholehearted participation made this occasion truly memorable.

HANDS-ON TRAINING PROGRAM ON FORMULATION DEVELOPMENT, QA/QC AND PROCESS OPTIMIZATION

Department of Industrial Pharmacy & Department of Quality Assurance, Bharat Technology successfully organized a four-day hands-on training program titled "Bridging Academia and Industry: Practical Insights into Formulation Development, QA/QC, and Process Optimization" from 19th to 22nd August 2025. The program aimed to bridge the gap between academic learning and industrial practices by providing participants with practical exposure to equipment handling, analytical techniques, Critical Quality Attributes (CQA), Critical Process Parameters (CPP), and regulatory requirements. The event was graced by eminent experts including Prof. (Dr.) Goutam Rath, Dr. Subhash Chandra Mandal, Mr. Prabhas Bandhu Chakraborty, and Mr. Harish Chandra Das. Participants gained valuable insights into pharmaceutical manufacturing, quality assurance, quality control, and regulatory affairs. The program received enthusiastic participation from students and faculty members and significantly enhanced their industry readiness.

TEACHERS' DAY CELEBRATION 2025

Bharat Technology celebrated Teachers' Day with great enthusiasm and gratitude, honoring the invaluable contributions of its faculty members. The students organized a heartwarming program filled with cultural performances, speeches, games, and expressions of appreciation for their teachers. The event provided an excellent opportunity for students to acknowledge the dedication, guidance, and support of their mentors who play a vital role in shaping their academic and professional journeys. Faculty members actively participated in the celebrations, making the occasion memorable and enjoyable for everyone.

EXPERT TALK ON “THE ROLE OF AAS IN MODERN SPECTRAL ANALYSIS”

The Department of Pharmaceutical Chemistry and Quality Assurance, Bharat Technology, organized an Expert Talk on the topic “The Role of AAS in Modern Spectral Analysis” on 12th September 2025 in the Seminar Hall. Resource Persons were Mr. Tarun Kumar Giri (Regional Manager, Toshvin Analytical Ltd.) and Mr. Anisur Alam (Branch Service Head, Toshvin Analytical Ltd.). The session was conducted by distinguished experts from Toshvin Analytical Ltd., Mr. Tarun Kumar Giri and Mr. Anisur Alam, who shared their extensive industrial experience in analytical instrumentation and pharmaceutical quality analysis. The speakers highlighted the principles, instrumentation, applications, and recent advancements in Atomic Absorption Spectroscopy (AAS). The program provided students and faculty members with practical insights into elemental analysis, quality control testing, and industrial applications of analytical techniques.

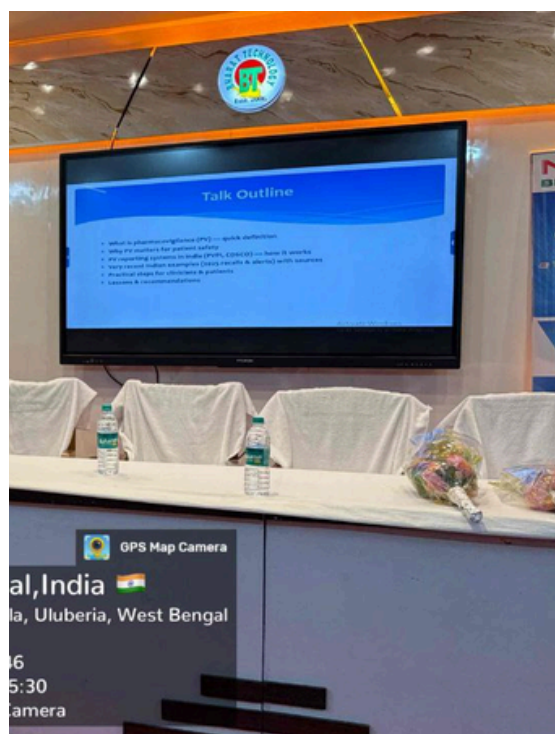

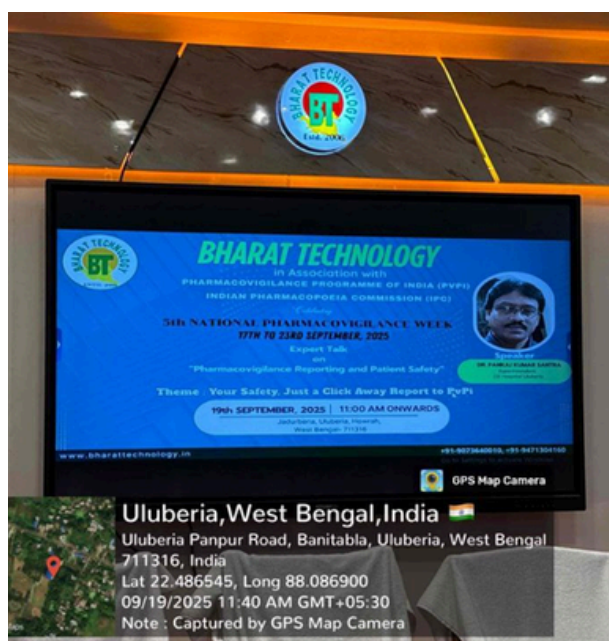

ORIENTATION PROGRAMME FOR B.PHARM 1ST YEAR STUDENTS

Bharat Technology organized an Orientation Programme for newly admitted B.Pharm First Year students on 13th September 2025. The program aimed to familiarize students with the institution, academic regulations, professional ethics, and opportunities available in the pharmaceutical field. The chief guest, Swami Purusheshananda of Ramakrishna Math, Antpur, addressed the students and emphasized the importance of discipline, moral values, dedication, and lifelong learning in achieving professional success. Faculty members introduced the academic structure, laboratory facilities, extracurricular activities, and career prospects in pharmacy. The event helped students begin their academic journey with confidence and motivation while fostering a sense of belonging to the institution.

5th National Pharmacovigilance Week

On 19th September 2025 to celebrate 5th National Pharmacovigilance Week – Bharat Technology organized an expert talk on "Pharmacovigilance Reporting and Patient Safety". The theme of this year: “Your Safety, Just a Click Away: Report to PvPI”. We were honored to have esteemed speaker Dr. Pankaj Kumar Santra (Superintendent, ESI Hospital, Uluberia), who shared valuable insights on Pharmacovigilance and its role in safeguarding public health.

5TH NATIONAL PHARMACOVIGILANCE WEEK – COMMUNITY OUTREACH

As part of the Pharmacovigilance Programme of India (PvPI), our students and faculty members of Bharat Technology visited ESI Hospital, Uluberia on 22nd September 2025 to spread awareness on the importance of ADR (Adverse Drug Reaction) reporting and patient safety. The theme of this year: -“Your Safety, Just a Click Away: Report to PvPI”. We were honored to have the guidance of Dr. Pankaj Kumar Santra (Superintendent, ESI Hospital, Uluberia), who shared valuable insights on Pharmacovigilance and its role in safeguarding public health. Pharmacist Pradyot Kar gave insights and support during the awareness program. Together we continue to strengthen the culture of patient safety and highlight the vital role of pharmacist in healthcare.

BLOOD DONATION CAMP AND THALASSEMIA SCREENING PROGRAMME

On 24th September 2025 the NSS Unit successfully organized a Blood Donation Camp and Thalassemia Screening Programme in collaboration with healthcare organizations. Students, faculty, and volunteers actively participated in blood donation and awareness activities. The programme promoted healthcare awareness, voluntary blood donation, and preventive health practices for community welfare.

The M.Pharm Orientation Programme for the Batch 2025–2027 was organized on 9th October 2025 at the Seminar Hall of Bharat Technology. The program featured Dr. Subhalakshmi Ghosh, Founder and Director of Subhami Biopharma, as the guest speaker. She shared valuable insights regarding higher education, pharmaceutical research, innovation, entrepreneurship, and career opportunities in the pharmaceutical industry. The newly admitted postgraduate students were introduced to the academic framework, research facilities, dissertation work, and professional expectations of the M.Pharm program. The session motivated students to pursue excellence in research and professional development.

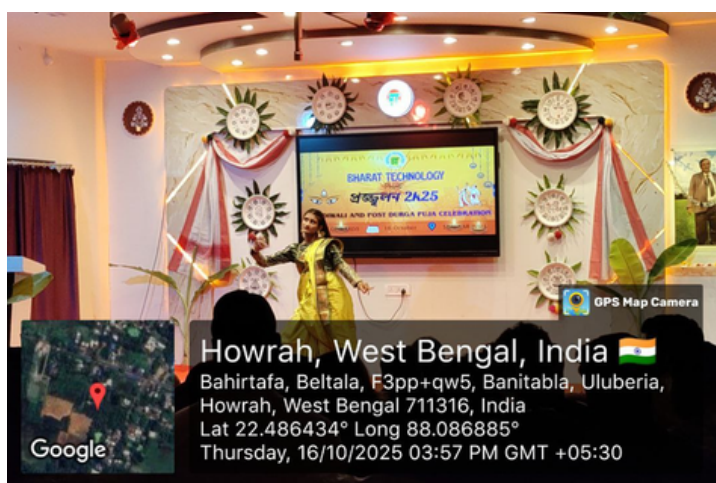

CELEBRATION OF 3RD NATIONAL CURRENT GOOD MANUFACTURING PRACTICE (CGMP) DAY

Bharat Technology celebrated the 3rd National Current Good Manufacturing Practice (cGMP) Day on 10th October 2025 in collaboration with the Indian Drug Manufacturers' Association (IDMA). The event featured eminent speakers including Dr. Parag Das, Vice President–Technical, Oman Pharmaceutical Products Co. LLC, and Mr. Anupam Ghosh, General Manager–Production, Mendine Pharmaceutical Pvt. Ltd. The speakers emphasized the significance of cGMP principles, regulatory compliance, quality assurance, and ethical values in pharmaceutical manufacturing. Through informative presentations and discussions, participants gained a deeper understanding of maintaining product quality, patient safety, and professional integrity. The event served as an excellent platform for students to interact with industry professionals and understand current manufacturing practices in the pharmaceutical sector.

প্রজ্জ্বলন 2K25” – AS PRE-DIWALI AND POST-DURGA PUJA CELEBRATION

Bharat Technology - A School Of Pharmacy proudly marked the successful completion of “প্রজ্জ্বলন 2k25” — as Pre-Diwali and Post-Durga Puja Celebration on 16th October, 2026. The event was filled with lights, laughter, cultural vibrance, and festive unity that truly reflected the spirit of both Durga Puja and Diwali. Heartfelt thanks to all the participants, faculty, and students who made this celebration a grand success!

64TH NATIONAL PHARMACY WEEK 2025 INAUGURAL CELEBRATION

To celebrate the 64th National Pharmacy Week and create awareness regarding the crucial role of pharmacists in promoting vaccination, public health, and disease prevention. Bharat Technology, in collaboration with the Indian Pharmaceutical Association (IPA), Bengal Branch, organized the 64th National Pharmacy Week Celebration under the national theme "Pharmacists as Advocates of Vaccination." on 18 November 2025. The program commenced with the inaugural session attended by faculty members, students, healthcare professionals, and distinguished guests. The event emphasized the importance of vaccination awareness and highlighted the expanding responsibilities of pharmacists in community healthcare. The event successfully sensitized students and healthcare professionals regarding vaccination advocacy, preventive healthcare, and the role of pharmacists in strengthening public health systems.

INDUSTRY-ACADEMIA-REGULATORY CONCLAVE

Bharat Technology organized an Industry-Academia-Regulatory Conclave on 18 November 2025, to bridge the gap between academic learning, pharmaceutical industry requirements, and regulatory expectations. Distinguished Guests including Mr. Debarshi Dutta Gupta, Dr. Subhas Chandra Mondal, Dr. Muktipada Rana, Mr. Ashok Kumar Maity, Mr. Probhas Bondhu Chakraborty, Mr. Kunal Vora, Dr. Sushant Senapati, Dr. Parama Dey, Dr. Rupak Roy and Mr. Anupam Ghosh were present. Experts from pharmaceutical industries, regulatory organizations, and academia shared valuable insights regarding the Career opportunities in the pharmaceutical sector, Regulatory affairs and compliance, Industrial expectations from pharmacy graduates, Research and innovation trends, Industry-academia collaboration, Interactive sessions allowed students to engage directly with experts and clarify career-related queries. Participants gained practical knowledge regarding industrial operations, regulatory requirements, and emerging opportunities in the pharmaceutical sector. The conclave successfully strengthened industry-academia interactions and enhanced professional awareness among students.

FREE HEALTH CHECK-UP CAMP

To provide basic healthcare services and health awareness to students, staff, and local residents a free health check up camp were organised in Bharat Technology on 18 November 2025 . Resource Persons were Dr. Arun Jasu, Dr. Suchitra Mukherjee. The Health Check-up Camp was organised as a community outreach initiative during National Pharmacy Week. The camp included General Health Examination, Blood Pressure Monitoring, Blood Sugar Screening, Health Counseling, Lifestyle Modification Guidance. Participants received personalized health advice from medical professionals. The program helped in the early identification of health concerns and promoted preventive healthcare awareness among beneficiaries. The health camp successfully fulfilled its objective of extending healthcare services to the community.

BLOOD DONATION CAMP

To encourage voluntary blood donation and promote social responsibility among students, faculty members, and the local community, a Blood Donation Camp was organized during the National Pharmacy Week celebrations Bharat Technology Campus on 18 November 2025. The camp was conducted under the supervision of qualified healthcare professionals ensuring donor safety and adherence to medical protocols. Faculty members, students, staff, and local residents voluntarily participated in the donation drive. Activities Conducted, Donor Registration, Medical Screening, Blood Collection, Post-donation Counselling, Refreshment Distribution were occurred during this program. The camp successfully collected blood units for supporting emergency and routine healthcare services while promoting awareness regarding voluntary blood donation. The initiative reflected the institution's commitment toward community welfare and healthcare service.

STUDENTS' DAY CELEBRATION & QUIZ COMPETITION

To promote academic excellence, professional awareness, and competitive spirit among pharmacy students during National Pharmacy Week, as part of the Students' Day Celebration, a Quiz Competition was organised for students from various pharmacy programs on 18th November 2025 at Bharat Technology in association with IPA Bengal Branch. The competition consisted of multiple rounds covering Pharmaceutical Sciences, Clinical Pharmacy, Current Healthcare Affairs, Pharmacology, Drug Regulations, General Knowledge. Students participated enthusiastically and demonstrated remarkable knowledge and analytical skills. The competition encouraged healthy academic competition, enhanced subject knowledge, and improved confidence among students. The event was highly successful and contributed significantly toward developing professional competence and teamwork among future pharmacists.

FACULTY DEVELOPMENT PROGRAM (FDP) 2025

Bharat Technology organized a Seven-Day Faculty Development Program (FDP) 2025 on the theme “Strengthening Academic Excellence: Faculty Development Program for the Outcome-Based New B.Pharm Syllabus from 9th–16th December 2025 (7 Days, Hybrid Mode). The program was conducted in a hybrid mode with the objective of familiarizing faculty members with the revised outcome-based B.Pharm curriculum, modern teaching-learning methodologies, assessment strategies, and academic best practices. Eminent members from various institutions like Dr. Deependra Singh, Shri Dharmendra Singh, Prof. Ashish Baldi, Prof. Sanmoy Karmakar participated in the program and engaged in expert lectures, panel discussions, interactive sessions, and academic workshops. The FDP emphasized curriculum planning, outcome-based education, accreditation requirements, and innovative pedagogical approaches. The event provided a valuable platform for professional development and knowledge exchange among academicians, ultimately contributing to the enhancement of pharmacy education standards. The program concluded successfully with active participation from faculty members and positive feedback from attendees. Bharat Technology reaffirmed its commitment to promoting continuous professional development and academic excellence.

VIKSIT BHARAT YOUTH PARLIAMENT 2025

Bharat Technology, in collaboration with NSS Unit and Mera Yuva Bharat (MY Bharat), organized the District-Level Viksit Bharat Youth Parliament, 10 December 2025. The event was conducted under the Ministry of Youth Affairs and Sports, Government of India. The theme of the program was “50 Years of Emergency: Lessons for Indian Democracy.” Students actively participated in discussions and deliberations on democratic values, governance, and nation-building. The event provided a platform for young minds to express their views on contemporary socio-political issues while developing leadership, public speaking, and critical thinking skills. The program enhanced civic awareness, democratic understanding, and leadership qualities among participants.

26th Jan – Republic Day Celebration 2026

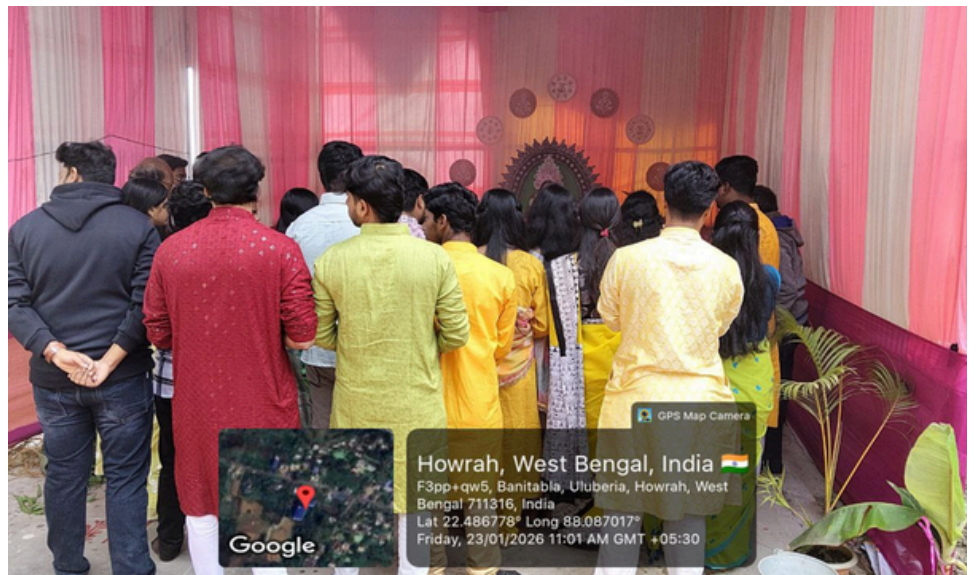

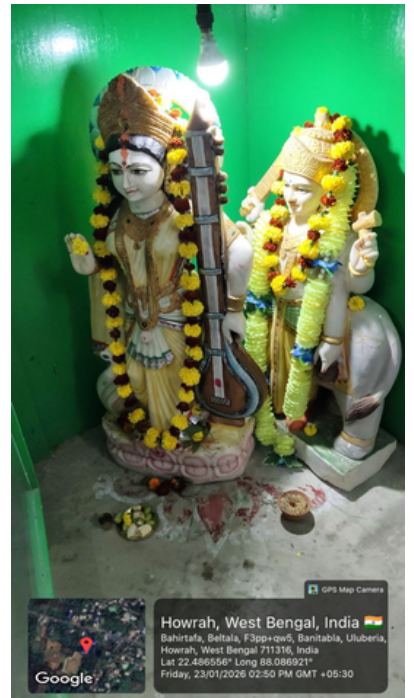

NATIONAL YOUTH DAY CELEBRATION

Bharat Technology celebrated National Youth Day to commemorate the birth anniversary of Swami Vivekananda on 12 January 2026. The program focused on inspiring students through the teachings and philosophy of Swami Vivekananda. Faculty members discussed his message: "Arise, Awake, and Stop Not Till the Goal is Reached." Students were encouraged to develop leadership qualities, self-confidence, integrity, and a commitment to nation-building. The event motivated students to pursue excellence and contribute positively to society through ethical leadership and service.

SARASWATI PUJA CELEBRATION

Bharat Technology celebrated Saraswati Puja, 23 January 2026 with great devotion, enthusiasm, and cultural fervor. The campus was beautifully decorated for the worship of Goddess Saraswati, the deity of knowledge, wisdom, and creativity. Students, faculty members, staff, and guests actively participated in the puja ceremony and sought the blessings of the Goddess for academic excellence and personal growth. The rituals were conducted in a traditional manner, creating a spiritually enriching atmosphere throughout the campus. The celebration fostered unity, cultural awareness, and devotion among all participants.

129TH BIRTH ANNIVERSARY CELEBRATION OF NETAJI SUBHAS CHANDRA BOSE

Bharat Technology commemorated the 129th Birth Anniversary of Netaji Subhas Chandra Bose with profound respect and patriotism at 23 January 2026. Faculty members, students, and staff gathered to pay tribute to the legendary freedom fighter. The program highlighted Netaji's ideals of courage, sacrifice, discipline, and nationalism. Floral tributes were offered, and discussions were conducted on his contributions to India's freedom movement and nation-building. The celebration inspired students to uphold values of patriotism, leadership, and service to the nation.

REPUBLIC DAY CELEBRATION 2026

Bharat Consortium Institutes celebrated the 77th Republic Day on 26th January 2026 at URSCHARD Ground with great enthusiasm and patriotic fervor. The event, themed “Vande Mataram – 150 Years of the National Song and Atmanirbhar Bharat,” commenced with a grand March Past, followed by the National Flag Hoisting, National Anthem, institutional flag unfurling, and tableau presentations. Esteemed dignitaries addressed the gathering, emphasizing constitutional values and national responsibility. A vibrant cultural programme featuring patriotic songs, dances, recitations, instrumental performances, and dramatic presentations showcased students’ talents and patriotism.

ENTREPRENEURSHIP FAIR

Bharat Technology organized an Entrepreneurship Fair to encourage innovation, creativity, and entrepreneurial thinking among students on 16th February, 2026. The event was graced by distinguished guests including Mr. Kalidas Acharya, Managing Director, Infuno Medical Engineering Pvt. Ltd., New Delhi, Shri Shyamal Mondal, Additional Superintendent of Police (Rural), Shri Amir Ali, DSP, WBPS, Shri Debdulal Biswas, Traffic Inspector, Uluberia, Mr. Joy Konnar, Sub-Inspector, Traffic Department, Er. Rahul Debnath, Trustee Member, AHECT. Activities included Brainstorming Sessions, Model Presentations, Exhibition and Demonstration of Projects, E-Fair Stalls were evaluated on Innovation, Taste, and Profit Margins. Students showcased innovative business ideas and entrepreneurial projects demonstrating practical application of management and marketing principles. Cash prizes and certificates were awarded to outstanding performers. The event promoted innovation, leadership, teamwork, and entrepreneurial skills among students.

BT SAMMAN 2026 – CELEBRATING EXCELLENCE AND ACHIEVEMENT

BT SAMMAN 2026 was organized to recognize and celebrate outstanding achievements of students, faculty members, and staff. The grand event reflected the institution's commitment to academic excellence, research innovation, and professional development. Academic Excellence Awards were presented to top-performing students of B.Pharm, D.Pharm, and M.Pharm programs. Students achieving outstanding SGPA scores were specially honored for their remarkable academic performance. The event also featured the Dr. Rabindra Debnath Memorial Appreciation Awards, recognizing excellence in teaching, mentorship, research projects, departmental leadership, library services, and institutional outreach activities. Special awards were presented for research and publication excellence, including recognition for SCI/Scopus-indexed publications, high-impact research articles, student innovation projects, and faculty research contributions. Awardees received certificates, mementos, and cash prizes. The ceremony concluded with a message encouraging all members of the institution to continue striving for excellence, innovation, and lifelong learning.

NEOPHYTES 2K26 – FRESHERS' WELCOME PROGRAMME

Bharat Technology warmly welcomed its new batch of students through Neophytes 2K26, the Freshers' Welcome Programme, held on 17 February 2026. The event brought together students, faculty members, and staff in a vibrant celebration of new beginnings and campus life. The programme featured inspiring addresses by the Principal and faculty members, followed by an array of cultural performances including music, dance, and interactive activities. A highlight of the event was the Mr. and Ms. Neophytes 2K26 Contest, which showcased the confidence, talent, and creativity of the participants. The celebration provided an excellent platform for freshers to connect with their peers and seniors, fostering a sense of belonging within the Bharat Technology family.

PROF. RABINDRA DEBNATH MEMORIAL ANNUAL SPORTS MEET 2026 – BHARAT CONSORTIUM LEAGUE (BCL 2026)

The Prof. Rabindra Debnath Memorial Annual Sports Meet 2026 Feb 10-14, organized under the banner of the Bharat Consortium League (BCL 2026), was celebrated with great enthusiasm and sportsmanship on the Bharat Technology campus. The event witnessed active participation from students of Bharat Technology (BT), Calcutta Institute of Technology (CIT), and Calcutta Institute of Pharmaceutical Technology (CIPT), fostering unity, teamwork, and healthy competition among the participating institutions. The week-long sporting event featured a wide range of indoor and outdoor events, including Cricket, Football, Basketball, Badminton, Volleyball, Tug of War, Shot Put, Long Jump, 100-meter Run, 200-meter Run, Relay Race, and several other athletic competitions. Students from different departments displayed remarkable talent, determination, and sportsmanship throughout the tournament. The Sports Week was inaugurated in the presence of esteemed dignitaries, faculty members, staff, and students. The cricket and football tournaments attracted large audiences and showcased excellent teamwork and competitive spirit. Athletic events such as the 100-meter sprint and relay races highlighted the speed, endurance, and dedication of the participants. The closing ceremony recognised the achievements of outstanding performers with medals, trophies, and certificates. The event successfully promoted physical fitness, leadership, discipline, and camaraderie among students while strengthening the bond between the consortium institutions.

March 2026

3rd Mar – Doljatra & Holi Falguni Celebration

9th Mar – International Women's Day 2026

9th Mar – Pharma Anveshan 2026 (Pharmacy Education Day)

30th Mar – IPA-SF Student Chapter Inauguration

30th March-Rx Fiesta Reloaded 2K26 (Cultural Fest)

CELEBRATION OF DOLJATRA& HOLI- FALGUNI 2026

Bharat Technology celebrated the auspicious festival of Dol Jatra and Holi with great enthusiasm and joy on 3rd March 2026 within the college campus. The celebration aimed to promote cultural harmony and strengthen the bond among students, faculty, and staff members. The program began with a brief introduction highlighting the cultural significance of Dol Jatra and the traditional values associated with the festival of colors. Students and faculty members actively participated in the celebration by applying abir (natural colors) and exchanging festive greetings. Various cultural activities were organized during the celebration, including music, dance, and informal interactions among participants. The atmosphere of the campus became vibrant with colors, laughter, and festive spirit.

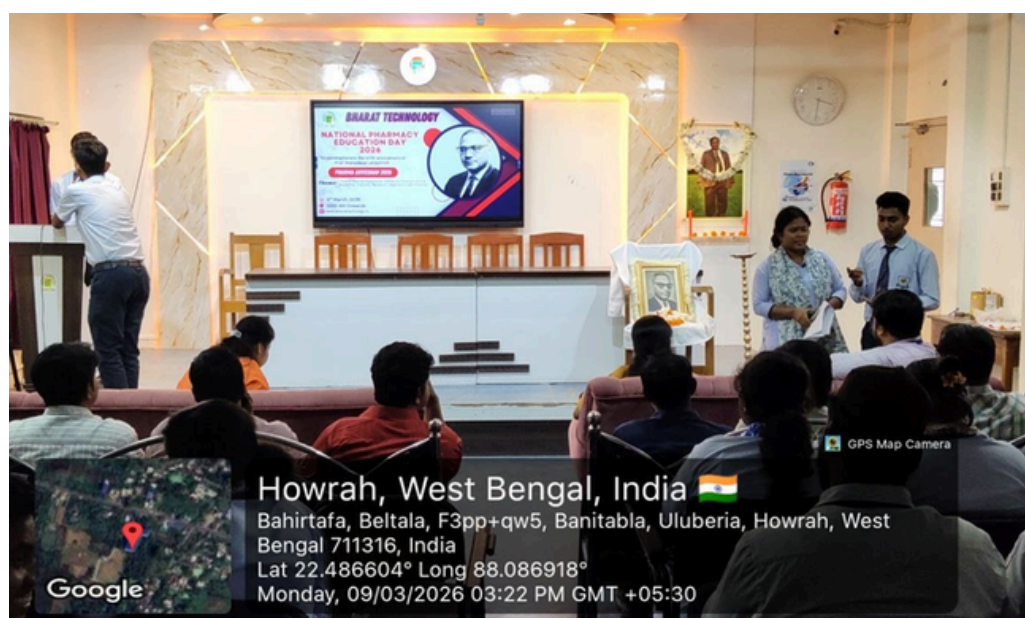

INTERNATIONAL WOMEN'S DAY CELEBRATION 2026

Bharat Technology celebrated International Women's Day 2026 on 9th March 2026. The event was organized by the National Service Scheme (NSS), Bharat Technology in collaboration with the Internal Quality Assurance Cell (IQAC). The program aimed to highlight the importance of gender equality and recognize the contributions of women in various fields. Distinguished guests and dignitaries were welcomed on the dais and felicitated by the organizers. Prof. (Dr.) Biplab Debnath, Principal of Bharat Technology, delivered a speech and emphasized the significance of gender equality and empowerment in educational institutions.

PHARMA ANVESHAN 2026

Bharat Technology celebrated National Pharmacy Education Day 2026 on 9th March 2026 to commemorate the birth anniversary of Prof. Mahadeva Lal Schroff, the pioneer of pharmacy education in India. The event titled “Pharma Anveshan 2026” was organized by the Internal Quality Assurance Cell (IQAC) of the institution. Prof. (Dr.) Biplab Debnath, Principal of Bharat Technology, delivered a speech and emphasized the importance of pharmacy education in advancing healthcare and pharmaceutical sciences. Dr. Mainak Chatterjee, IQAC Coordinator, addressed the gathering and highlighted the role of quality assurance and academic excellence in higher education. A special talk on “Future Pharma Ecosystem: Fostering Synergy among Academia, Industry, Research, Regulatory and Practice” was delivered by Dr. Arnab De, UG Coordinator, which provided valuable insights into emerging opportunities and challenges in the pharmaceutical sector. The event also included cultural performances by students, which added enthusiasm and creativity to the celebration. The celebration continued with a Cake Cutting Ceremony by the dignitaries, symbolizing unity and collective celebration.

INAUGURATION OF IPA-SF STUDENT CHAPTER

On 30th March, 2026 the inauguration of the first-ever IPA-SF Student Chapter were established in West Bengal at Bharat Technology, in collaboration with the Indian Pharmaceutical Association. This landmark achievement marks a significant step toward strengthening the academic and professional foundation of our pharmacy students—connecting them directly with one of the most prestigious professional bodies in the field of pharmacy. The inauguration ceremony was graced by esteemed dignitaries, Dr. Subhas Chandra Mondal, National Honorable General Secretary, IPA, Dr. Muktipada Rana, President, IPA Bengal Branch, Mr. Ashok Kumar Maity, Honorable Secretary, IPA Bengal Branch. Their inspiring words and guidance have set the tone for a future driven by innovation, leadership, and professional excellence. This chapter will serve as the dynamic platform for learning, collaboration, and growth, empowering our budding pharmacists to become responsible healthcare leaders of tomorrow.

RX FIESTA RELOADED 2K26

The annual cultural fest of Bharat Technology, was organized with great enthusiasm and participation from students, faculty, and distinguished guests. The program included the felicitation of dignitaries from academia, administration, and the Indian Pharmaceutical Association (IPA). The Principal, Prof. (Dr.) Biplab Debnath, delivered the welcome address, emphasizing academic excellence and student development. Esteemed guests shared their insights, motivating students toward professional growth. A key highlight of the event was the inauguration of the IPA Student Chapter of Bharat Technology, marking a significant milestone in strengthening professional engagement and leadership opportunities for pharmacy students. The event also featured vibrant cultural performances by students, showcasing talent in music and dance. The celebration concluded with high-energy performances by FAKIRA and DJ ANTARA, creating a lively and memorable atmosphere. The event successfully blended academic significance with cultural vibrancy, leaving a lasting impact on all participants.

17-18 Apr - Training Program Medicinal Plants

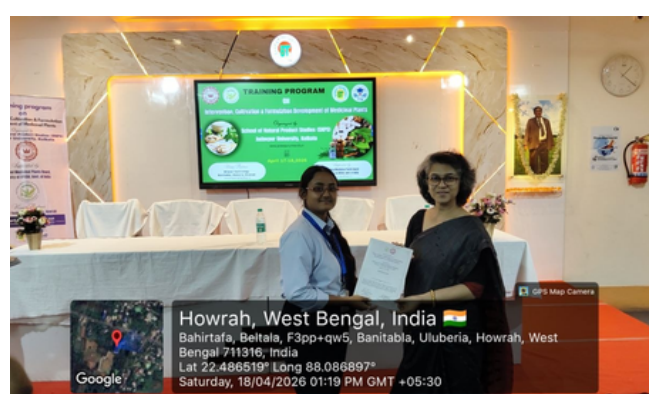

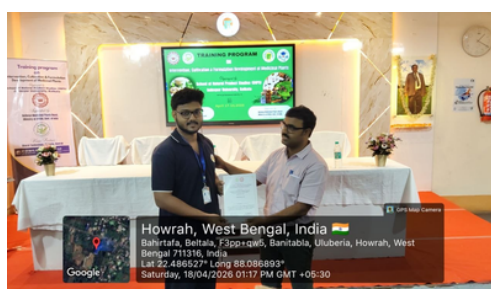

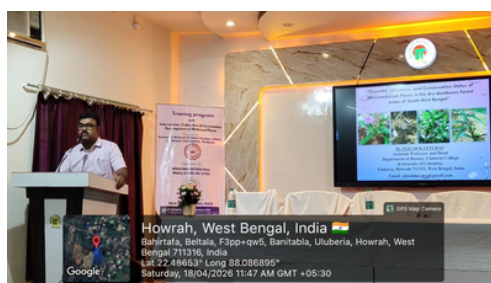

URSCHARD FOUNDATION DAY & BENGALI NEW YEAR CELEBRATION 2026

URSCHARD Foundation Day was celebrated with great enthusiasm on 15 April 2026, coinciding with the joyous occasion of Bengali New Year (Poila Boishakh). The event brought together faculty members, staff, and students in a vibrant celebration of culture, tradition, and togetherness. The program featured a series of cultural performances, including Rabindra Sangeet, recitations, and dance presentations by talented students. Performances such as Ore Grihobashi, Amar O Poran O Jaha Chai, Mayabono Biharini, and a lively dance medley reflected the rich heritage of Bengal and added color to the festivities. The celebration successfully fostered a spirit of unity, creativity, and cultural pride among all participants. The event concluded with heartfelt New Year wishes, marking a memorable beginning to another year of growth and achievement for URSCHARD.

A TWO-DAY TRAINING PROGRAM ON MEDICINAL PLANTS

A two-day Training Program on “Intervention, Cultivation & Formulation Development of Medicinal Plants” was organized on 17–18 April 2026 at Bharat Technology. The program was conducted by the School of Natural Product Studies, Jadavpur University, with support from the National Medicinal Plants Board (Ministry of AYUSH). The program featured insightful lectures by eminent academicians and industry experts, including Prof. Pallab Kanti Haldar, Director, School of Natural Product Studies, Jadavpur University; Mr. Debapam Saha, Assistant Professor, Calcutta Institute of Technology; Dr. Suparna Ghosh, Guest Faculty, School of Natural Product Studies, Jadavpur University; Dr. Monojit Debnath, Founder and Partner, HIMAAYUSH; Dr. Pijush Kanti Das, Assistant Professor, Uluberia College; and Dr. Subhalakshmi Ghosh, Founder and Director, Subhami Biopharma Pvt. Ltd. The expert sessions focused on medicinal plant cultivation, formulation development, precision agriculture, Ayurvedic formulations, industrial applications, and the therapeutic potential of medicinal plants.

May 2026

9th May – Rabindra Jayanti Celebration 2026

6-13 May – FDP Formulation Development & Tech Transfer

RABINDRA JAYANTI CELEBRATION 2026

Bharat Technology organized the Rabindra Jayanti Celebration on 9th May 2026 to pay tribute to the legendary poet, philosopher, and Nobel Laureate Rabindranath Tagore. The floral tribute was offered to the portrait of Rabindranath Tagore. Dr. Sandip Kumar Pahari delivered the inaugural speech, highlighting the importance of Tagore's contributions to literature, culture, and humanity. The cultural segment of the program included dance performances, songs, poetry recitation, and cultural presentations by students and faculty members. The event concluded with expressing gratitude to all participants, organizers, faculty members, and students for making the celebration successful.

FACULTY DEVELOPMENT PROGRAMME ON EMERGING TRENDS IN FORMULATION DEVELOPMENT, CHARACTERIZATION AND TECHNOLOGY TRANSFER

The Department of Pharmaceutics, Bharat Technology, organized a 7-Day Faculty Development Programme (FDP) on “Emerging Trends in Formulation Development, Characterization and Technology Transfer” from 6th to 13th May 2026 in online mode. The FDP featured distinguished national and international experts who discussed advanced pharmaceutical technologies, characterization techniques, biomaterials, nanomedicine, statistical approaches, and technology transfer strategies. The programme provided participants with updated knowledge on recent innovations in pharmaceutical sciences and their industrial applications. Many participants across India actively attended the sessions, making the FDP academically enriching and highly successful.

5th jun- World Environment Day

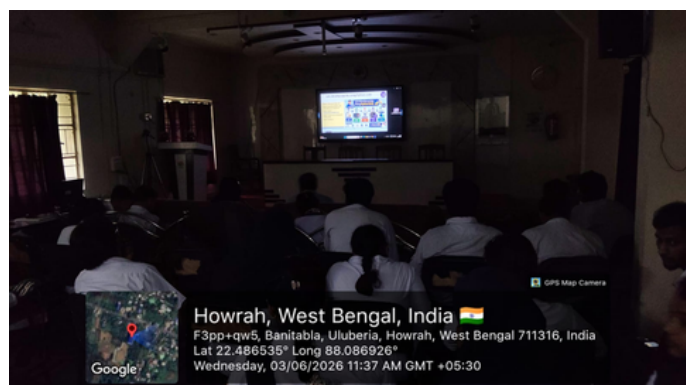

6 & 8 June- National Training Good Clinical Practice

20th Jun – Paschimbanga Divas (West Bengal Day)

21st June- International Yoga Day 2026 Celebration

EXPERT TALK ON APPLIED PYTHON AND AI/ML TOOLS IN PHARMACEUTICAL RESEARCH AND DRUG DISCOVERY & DEVELOPMENT

The Department of Pharmaceutics organized an online expert lecture on “Applied Python and AI/ML Tools in Pharmaceutical Research and Drug Discovery & Development” on 3rd June 2026. The session was conducted by Prof. Dr. Satish Arunrao Polshettiwar and highlighted the growing role of artificial intelligence, machine learning, and Python programming in pharmaceutical research. Participants learned about drug candidate identification, biological activity prediction, biomedical data analysis, and optimization of drug development processes. The programme demonstrated how AI-driven approaches can accelerate research, reduce costs, and improve decision-making in pharmaceutical sciences.

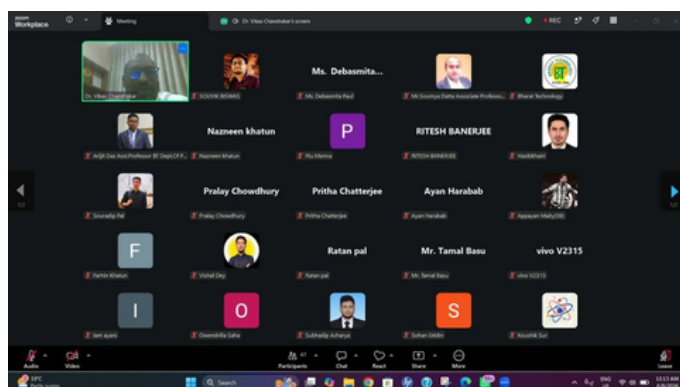

World Environment Day

Bharat Technology celebrated World Environment Day 2026 on 5th June 2026 by organizing a series of environmental awareness and community outreach programmes to promote climate consciousness and sustainable living. As part of the celebration, faculty members and students conducted Climate Awareness Campaigns at Jadurberia High School and Binapani Girls' High School. Through interactive sessions and discussions, participants were sensitized to important environmental issues, including climate change, ecosystem restoration, clean energy, waste management, and sustainable practices. The enthusiastic participation of students, teachers, and community members made the programme a meaningful success, reinforcing the importance of collective action in protecting our planet. The initiative reflected the institution's continued commitment to environmental stewardship and social responsibility. Our Planet. Our Responsibility. Our Future.

NATIONAL LEVEL TRAINING PROGRAM ON GOOD CLINICAL PRACTICE AND CLINICAL COMPLIANCE

The Department of Pharmacology, in collaboration with IQAC and the Career Guidance Cell of Bharat Technology, and in association with KV Clinical Research Pvt. Ltd., successfully organized a National Level Training Program on Good Clinical Practice (GCP) and Clinical Compliance on 6th and 8th June 2026. The two-day program featured expert sessions by eminent academicians and industry professionals, including Dr. Sourabh Kosey, Mr. Arijit Ghosal, and Dr. Vikas R. Chandrakar. Participants gained valuable insights into GCP guidelines, clinical operations, and regulatory compliance, enhancing their knowledge and preparedness for careers in clinical research.

PASCHIMBANGA DIVAS | WEST BENGAL DAY 2026

Celebrating the Spirit of Bengal – Heritage, Culture & Legacy.

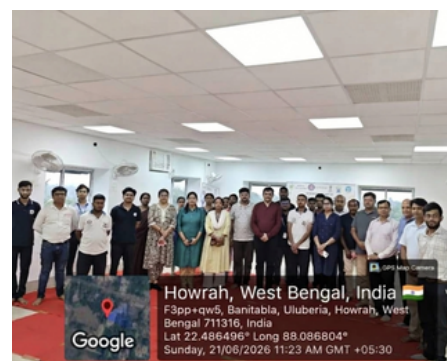

Bharat Technology proudly celebrated Paschimbanga Divas (West Bengal Day) on 20 June 2026, paying tribute to the rich history, vibrant culture, and timeless traditions of West Bengal. The celebration featured inspiring speeches, a special lecture on the history of West Bengal, soulful Rabindra Sangeet, poetry recitation, folk music, and captivating cultural performances by our talented students, making the occasion a memorable blend of knowledge and artistic expression. A memorable highlight of the event was the Inauguration of the “Paschimbanga Divas – A Bilingual Souvenir (Bengali & English)”, showcasing Bengal’s glorious heritage, eminent personalities, and cultural richness while fostering awareness among the younger generation.

“যে বাংলার মাটি আমাদের পরিচয়, যে বাংলার সংস্কৃতি আমাদের গর্ব—
তাকে জানাই আন্তরিক শ্রদ্ধা ও ভালোবাসা।”
ধন্য হোক বাংলা, জয় হোক বাংলার সংস্কৃতি।

INTERNATIONAL YOGA DAY 2026 CELEBRATION

Bharat Technology observed International Yoga Day 2026 with enthusiasm, embracing this year's global theme, "Yoga for Healthy Ageing." on 21st June. It was celebrated under the guidance of Sahaja Yoga practitioners, promoting the message of self-realization, meditation, and holistic health through yoga. Faculty members, staff, and students participated in the observance, reflecting on the importance of incorporating yoga into daily routines, particularly in today's fast-paced academic and professional environment. The event emphasized how yoga enhances concentration, reduces stress, improves flexibility, and promotes a balanced lifestyle. As an institution dedicated to healthcare education and research, Bharat Technology reaffirmed its commitment to fostering wellness and healthy living among its academic community.

Our Team

Prof. (Dr.) Biplab Debnath, Principal Editor-in Chief

Dr. Biplab Debnath is the Principal and Professor at Bharat Technology, Uluberia, with research expertise in in silico synthesis and biological evaluation of novel heterocyclic molecules. He has published over 60 research and review papers, authored 8 books, contributed 5 book chapters, and holds 2 granted patents. A dedicated mentor to M.Pharm and Ph.D. scholars, he actively serves on advisory boards, scientific associations, and has received prestigious awards including the Excellence in Pharmaceutical Education and Research Award 2024 and the Best Young Principal Award 2024 (Dubai).

Ms. Debasmita Paul, Assistant Professor Co-Ordinator

Ms. Debasmita Paul is a researcher and educator with over four years of experience as an Assistant Professor of Pharmacy practice. She holds a Bachelor of Pharmacy from Netaji Subhas Chandra Bose Institute of Pharmacy (Maulana Abul Kalam Azad University of Technology) and a Master of Pharmacy from Jadavpur University. Before entering academia, she worked as a Quality Control chemist at a pharmaceutical company and volunteered with community organizations in California, USA. She is committed to inspiring the next generation of pharmacists through engaging lectures and hands-on laboratory work.

Mr. Abhijit Ghosh, Assistant Professor Editor & Designer

Mr. Abhijit Ghosh holds a B.Pharm and M.Pharm in Pharmacognosy from Maulana Abul Kalam Azad University of Technology and serves as Assistant Professor in the Department of Pharmacognosy at Bharat Technology. His work spans teaching, research, and mentorship, with publications in national and international journals alongside books and patents to his credit. An active participant in faculty development programmes, seminars, and workshops, he has guided five final-year B.Pharm students through their research projects. His focus remains on advancing Pharmacognosy and preparing the next generation of pharmacy professionals.

Mr. Satadeep Bandyopadhyay, Assistant Professor Proof Editor

Mr. Satadeep Bandyopadhyay holds an MS (Pharm) in Pharmacology and Toxicology from NIPER Kolkata and currently serves as an Assistant Professor of Pharmacology. With a strong research background in in-vivo studies and neuropharmacology, he brings both academic rigor and practical insight to his work. Driven by a deep passion for teaching, he is dedicated to sharing his knowledge and mentoring the next generation of pharmacy professionals. Known for his commitment to excellence, he continues to contribute actively to both research and education in the field of pharmacology.
